### **WORK OPPORTUNITY PROGRAM**

Chief and Council have created a work opportunity program for all Income Assistance clients.

**Our Income Assistance policy states the following:**

- Single Income Assistance can earn up to \$500 additional dollars per month. (25 Hrs.)
- Couples or Single parents can earn up to \$750 additional dollars per month. (37.5 Hrs. Combined)
- PPMB & Disability Clients can earn up to \$1000 additional dollars in a month. (50 Hrs.)

**If you have additional work outside of this program, you will need to consider those earnings in your monthly income total.**

**Ie: As a single, if you earn \$250 working at another job, you can only earn \$250 through this program.**

We have a number of projects that we would like to provide for you to do that. If you are interested in signing up for this additional work, please fill out the form below.

1. Community Food Programs – We are looking for people to help us with the processing of food fish and deer for the community.
2. Food Cellar – We are looking for people to help us with building a food cellar so that we can store veggies etc. over the winter.
3. Gardening – We have over 200 garden boxes throughout the community, and a number of community gardens that need to be prepped and cared for.
